*A Subcommittee of the Public Safety Communications Advisory Commission*

June 21, 2011

Information Technology Department  
City of Phoenix  
200 W. Washington St.  
Phoenix, AZ 85003

To Whom It May Concern:

At its regular public meeting held in Phoenix, AZ on June 21, 2011, the Statewide Interoperability Executive Committee (SIEC) concurred with the Phoenix Fire Department's request to utilize the following UTAC interoperable frequencies.

NAME	RX FREQ MHz	TX FREQ MHz
UTAC41	453.4625	458.4625
UTAC41D	453.4625	453.4625
UTAC42	453.7125	458.7125
UTAC42D	453.7125	453.7125
UTAC43	453.8625	458.8625
UTAC43D	453.8625	453.8625

This letter serves as notification that the SIEC concurs with the Phoenix Fire Department's request to utilize the channels listed above, subject to guidelines established by the SIEC for use of UHF Interoperability Channels from time to time.

The SIEC requests Phoenix Fire to continue working with the SIEC and its Workgroups to identify any additional parameters, such as UTAC calling procedures and related impact on the Arizona Interagency Radio System (AIRS).
